McKendree is a way of life. In her strongest she is a bright, glowing torch; in her weakest, a brave candle. She is our inspiration. She holds our hearts, our loyalty, our ambition. She is our springtime wistfulness, our winter's tears and our solemn path to God.

McKendree is laughter, sunshine, and bittersweet autumns. She is the result of consistent prayers, faithful hands, and sweaty brows.

Though sunshine be erased forever from our sight and its warmth taken from our bodies, we gather McKendree's memories to our hearts. Memories of pleasant times and quiet talks.

A child of wisdom, McKendree is courage with a cloak of velvet, and confidence with an air of peace. She is a woods with the heart of God showing through, taking form in a lonely, lovely steeple pushing its way upward toward the heavens.

MC KENDREE COLLEGE

LEBANON, ILLINOIS

We of the 1957-58 McKendrean staff proudly dedicate this annual to our new president, Dr. Webb B. Garrison. Although he came to us only a short time ago, he has captured the hearts of the students, faculty, and friends of the college.

Our Dr. Garrison fulfills every qualification expected of a college president. He has a fine mind for business and he has proved to be the spiritual leader needed. Through his well-deserved reputation as a writer and speaker, he has won many new friends and "Crusaders" for McKendree.

His voice is of southern humor and kindness, yet his words are a challenge. He has shaken our minds into the realization that man's thoughts and natural creative abilities become stagnant if daily self-evaluation is forgotten; that man must adjust his thinking to be in harmony with the ever-changing world.

Dr. Garrison, being a humble man, puts one at ease while talking to him. His experiences as a family man gives him a natural understanding of the college student. He is sympathetic toward the frustrations, the seeking of hidden desires, and eventual outcome of the young adult.

His gentle, demanding, disturbing words of wisdom provoke in us a desire to fulfill our purpose for living and to seek a world with Christ as the center.

Indeed, we thank God for sending Webb Garrison. He is the prophet long prayed for, the Moses of McKendree, and the leader of McKendree's tomorrow. He shall lead us to unknown heights . . . to our dreams and aspirations.

McKENDREE
COLLEGE
FOUNDED AT LEBANON IN 1828, McKENDREE COLLEGE IS THE OLDEST COLLEGE IN AMERICA UNDER THE CONTINUOUS SUPERVISION OF THE METHODIST CHURCH. IT WAS NAMED FOR BISHOP WILLIAM McKENDREE. EDWARD AMES WAS THE FIRST PRINCIPAL, PETER AKERS THE FIRST PRESIDENT. PRESENT BUILDINGS DATE FROM 1850.

CLASS OF '58 SPEAKS

We, the senior class of '58, wish to thank McKendree for all she has done for us. Many of us have loved her dearly and will always hold her near to our hearts.

While at McKendree we have gained not only an education from books, but a better understanding of our fellow man. Our eyes have been opened to the problems of our world and our everyday life. We don't pretend to have all the answers, yet because we have had the opportunity to seek higher learning, we are better qualified to cope with life. At McKendree our faith in God is strengthened.

We are watching our school stride forward and are very proud to be a part of this progress.

We are indeed proud to be graduates of McKendree College.
